

New Market Township  
Special Meeting, Road Turn Backs  
August 23, 2011

Vice-Chairperson called the meeting to order at 5:30 PM

Members Present: Helmberger, Chlan, Silverness, Clausen, and Frame

Scott County Officials Present: M. Rasmussen – Scott County Highway Engineer, and G. Ilkka – Asst Scott County Highway Engineer.

Pledge of Allegiance

The purpose of the Special Meeting was for the Town Board and Scott County Highway Dept to hold a Public Meeting for interested persons who have concerns about the County turning back roads to the Township.

M. Rasmussen opened the Public Meeting. The roads that are being turned back to the Township are the County Road 27 cul-de-sac and the County Road 2 Service Road. There are two options, County will pay the Township two years cost of maintaining the roads or County will maintain the roads for two years. Date will be effective when the agreement is signed. Township will take the money and maintain the roads. The roads have been crack sealed and the drainage of the County Rd 27 will be solved. Public Meeting was closed at 5:50 PM.

Motion by Chlan to adjourn the Special Meeting at 5:55 PM. Seconded by Silverness, motion passed, all in favor.
